Financial Investing & Sustainability with Nate Greenland, Edward Jones

Friday, April 25th,
9am - 11am

Who should attend:

Anyone who helps lead a nonprofit, including executive directors, board members, and development professionals, particularly those for whom investing and the financial markets feel unfamiliar.

Empowering Nonprofits: Understanding Funding Opportunities

Friday, May 16th,
9am - Noon

Who should attend:

Anyone responsible for procuring funding for your organization, and would like to know what local funders are looking for.

Sponsored by Coastal Community Bank \$10; Register at s-caf.org

An opportunity to celebrate America's 250th Anniversary, from the Washington State Coordinator:

2026 is the semiquincentennial of America, commemorating the 250th anniversary of the signing of the Declaration of Independence in 1776.

This is a once-in-a-lifetime opportunity for us to reflect on our past and look to the future. Washington State has established a state committee, chaired by the lieutenant governor, to plan commemoration activities, and the committee is eager to have participation in every community across the entire state.

We are working around the state to establish commemorative planning committees to look at all the events and activities that occur throughout the year and see how **America250** themes can be incorporated into them.

To learn more about America250 in Washington, please visit our website at www.america250WA.org.

Also, please consider signing up to be a [partner](#) to help raise awareness of and participation in America250. We hope a variety of organizations – historical groups, arts and cultural groups, veterans groups, service organizations, libraries, schools, parks, media, and more – will join our efforts to be part of this important milestone.

Benefits of Partnership:

- Joining organizations around the country to be part of America250
- Your organization and website link are listed on the America250 Partner page
- Access to list your America250 events and activities on the official website
- Access to the official logo and various toolkits to support activities
- Monthly partner newsletter with ideas, tips, and suggestions

“Community is much more than belonging to something; it’s about doing something together that makes belonging matter.”

–Brian Solis
