## Scholarship List #2 – Scholarships Requiring Separate Application Packages

### Submission Instructions

The scholarships on the attached pages need to be applied for with a **separate application package for each scholarship listed**. For example, if you are applying for three of the scholarships listed, you must create three complete application packages and send one package to the address listed for each scholarship.

Please carefully read eligibility requirements for each scholarship and apply only if you meet those requirements. Please include a brief cover letter customized for each application describing how you meet eligibility requirements for that scholarship.

Each submission package must include in the following order:

- Customized brief, but detailed cover letter describing how you meet eligibility requirements or preferences.
- Completed Standard Scholarship Application (8 pages).
- Unofficial high school transcript including 7 semesters of high school through the first semester of senior year, plus Running Start transcript if applicable. **Academic history is not an acceptable substitute for transcript and will disqualify application.**
- Letter(s) of reference from unrelated adults (one required, two recommended).
- Supplemental forms where applicable (see individual listings for details).

Place application package in a 9x12 envelope. Do not bind, fold or staple application.

**Each scholarship package must be received by March 8, 2021  
at the address shown under each listing.**

**Most of the applications on this list cannot be hand-delivered  
so please be sure to mail packets no later than Thursday, March 4th.**
